

Macs PL275/600 Fixed Security Bollard

- Fixed security bollards for standalone use, or to match our PASS range of automatic security bollards.
- Optional flashing LED lights for added visibility and to further compliment aesthetic finish

EXPERT DESIGN

The current bollard design is the result of over 20 experience and development in security bollards

VISUAL SAFETY

Optional features such as intergrated flashing LED lights and reflective strip.

CUSTOM FINISH

Available in either stainless steel finish or steel painted to match any RAL colour.
